## 2 Other terms and conditions

itm8 Group ("itm8") consists of several legal entities. If resources from affiliated companies are used during the term of the Agreement, other prices may apply for resources associated with these legal entities. In such cases, this will be stated in the respective Agreement with such entities.

Please also refer to itm8's Commercial Terms for Professional Services: [Legal & Compliance in itm8](#). These address our payment principles for e.g. travelling time and overtime. The terms also address principles for payment of costs related to the performance of tasks and other areas related to our provision of Professional Services.

The terms and conditions can be requested at any time.
